

ALL IN

All In: Pt.1

Our culture is hungry for truth and hope and purpose. As a church, we must spare no effort, no expense to reach and disciple the next generation!

Bottom Line: The time has come for us to be **All In!**

Discussion Questions:

1. Have you ever had the feeling that something wasn't quite right? Where did that feeling come from and how did you respond?
2. What does it mean for a Bible believing church to be hungry for truth, hope and purpose? What actions should a church take when they are focused on these three things?
3. Describe, in your own words, what spiritual darkness is. What about our current culture is causing people to feel more spiritually dark, more fearful, and more anxious?
4. What can followers of Jesus do to help bring people out of spiritual darkness? Describe a time you helped someone who was in spiritual darkness or a time when you were helped out of spiritual darkness.
5. What challenges do you see facing the younger generation (Age 30 and below) in our current culture?
6. What can you do right now to be **All In** on helping the younger generation develop a Biblical worldview and commit to follow Jesus?
7. What has been the most helpful thought/idea from the message this week? How has that thought/idea helped you?
8. How can the group encourage you this week?

*If time doesn't allow for you to discuss all of these questions, use only the ones you feel would be most helpful for your group.
